**BALDWIN COUNTY ORTHOPEDIC SURGEON ANNOUNCES SPECIALIZED PRACTICE
WITH FOCUS ON COMPREHENSIVE SHOULDER CARE**

The Shoulder Center at Baldwin Bone and Joint, P.C.

DAPHNE, Ala. (March 14, 2016) - Baldwin Bone & Joint, P.C. (BB&J) is pleased to announce the opening of *The Shoulder Center* (TSC) with Medical Director and orthopedic surgeon, Dr. John L. Todd. This specialized practice focuses primarily on non-operative and operative care of the shoulder and will allow new patients to schedule appointments for specialty shoulder care faster. Office locations are in Daphne and Orange Beach, AL.

The Shoulder Center, the latest in specialty care to be offered by Baldwin Bone & Joint, will take a comprehensive approach to the care of shoulder conditions. These specialized services allow Todd to focus his skills and experience primarily on the care and treatment of shoulder and upper extremity issues. TSC also sees patients with work-related injuries.

“It is my primary goal to return each patient to an active lifestyle, free from shoulder pain and limitations,” states Dr. John Todd.

Dr. Todd is a board certified orthopedic surgeon with fellowship training in shoulder reconstruction and sports medicine. He has more than 20 years of experience treating complex issues of the shoulder: one of the body’s most mobile and problematic joints. (Photo: Dr. John Todd)

Common symptoms of shoulder issues include pain, weakness and loss of motion that can interfere with activities of daily living, work and recreation. Dr. John Todd and the TSC staff are trained and equipped to see patients with shoulder problems through every step of the diagnosis, treatment, and recovery process. The

primary goal of TSC is to return each patient back to his or her lifestyle, and the activity level he or she enjoyed before, as quickly as possible.

The most common surgeries performed by Dr. Todd include shoulder arthroscopy, shoulder replacement surgery, rotator cuff repair, and shoulder instability repair. In addition, Dr. Todd also performs rotator cuff revision surgeries for patients who have previously had a rotator cuff repaired but continue to experience pain and limitations.

The Shoulder Center is now accepting new patients. Call [251.625.2663](tel:251.625.2663) to schedule an appointment and visit theshouldercenter.net for more information. Dr. John Todd is also on Facebook and Twitter.

About Dr. John L. Todd

Dr. John Todd, Medical Director of The Shoulder Center at Baldwin Bone & Joint, P.C., is a board-certified orthopedic surgeon who is fellowship trained in both shoulder reconstruction and sports medicine. Dr. Todd has been in practice for more than 20 years, and his primary clinical focus is the care and treatment of the shoulder joint. He has dedicated his career to helping patients with both chronic degenerative problems and injuries of the shoulder as part of Baldwin Bone & Joint – a group of fellowship-trained orthopaedic specialists. Dr. Todd's many years of experience and expertise as a shoulder specialist enable his patients to achieve a successful treatment outcome. The Shoulder Center has office locations in Daphne and Orange Beach, Al. For more information, call [251.625.2663](tel:251.625.2663) or visit theshouldercenter.net.
